

MERLEX MX ACRYLIC FINISHES

Merlex Stucco now has an acrylic finish product line to offer customers.

MX Acrylic Finish offers you a user-friendly, competitively priced acrylic finish product, to go with our industry-leading color matching and technical support.

Features include:

- Crack-resistance
- Color uniformity
- Water-shedding ability
- Darker colors than traditional cement stucco
- Available in Medium, Classic, Fine, and Super Fine textures
- Custom color matches in 2-3 days
